

Dear Colleague,

We are writing to invite you to our Cheshire & Merseyside **Clinical Academy Design Event**.

Why? You have told us that you face obstacles implementing transformational change at pace and you haven't had sufficient say in the design of services across Cheshire & Merseyside. **The Clinical Academy is your chance to have your say.** This is very **IMPORTANT** – be there and be part of it.

When? **10th July 2018.** 10am to 4pm.

Where? **The LACE Conference Centre, Croxteth Drive, Sefton Park, Liverpool L17 1AA.**

Who's it for? Clinicians and practitioners with health and care backgrounds including (but not limited to): *Medical Directors, Directors of Nursing, GP Federation Leads, Directors of Adult Social Care, Directors of Public Health, Allied Health Professionals, Diagnosticians, C&M Partnership workstream Clinical Leads, Clinical Senate, CCG Chairs, SCN Clinical Leads, Health Education England, RightCare and Getting It Right First Time partners and University representatives.*

On the day: Dr Claire Fuller (lead for the Surrey and Heartlands STP) has been at the vanguard of developing their highly successful Clinical Academy, and will talk to us about their work and provide useful insights as we choose how to take this forward. If you wish, see this [short video](#) for more information about their experiences.

Action: **1) Please confirm your interest by clicking the button below, and get it in your diary.**

2) Forward this invitation on to appropriate colleagues from your organisation so they can add their views on the day as well.

We look forward to seeing you there.

Yours sincerely,

Kieran Murphy
